...Chasing our dreams

FROM THE MDs desk

Dear BDPL family !

From beginning a new quarter with all the needed optimism, we planned on coming up with something novel. Here's unleashing *BDPL Insider* which will help us all connect. We hope you plug into this new facet of our quarterly newsletter and know the inside stories.

This quarter, we have witnessed a successful *commissioning of our plant* and started our commercial production recently. I take this opportunity to thank BDPL family for their continued patronage, hard work and especially the level of dedication to work. I am very proud of all and expect the same spirit and vigor in our forthcoming assignments.

In addition, we have dispatched our *first consignment of DDGS* to our valued customer Sri Rani Sati Agro Foods Pvt. Ltd. This has ensured the growing momentum of our hardwork. I look forward to your valued endeavour to work together in creating many more milestones.

With this edition of BDPL Insider, relive some exceptional moments and look through the attainments so far. Let's raise toast for a new beginning !

Thank you

Cheers !!

..BDPL COMMENCEMENT

Saturday, 20th May 2018, Boudh: The inauguration of BDPL, marked commencement on this day. The event was inaugurated by the chairman Mr. Uday Shanker Prasad celebrating the achievement with BDPL family. The Puja ceremony was witnessed by Director, employees and business partners.

BDPL- FROM FIELD TO FACTORY A QUEST FOR SUCCESS

Just amidst the beautiful backdrop of Boudh district-Odisha ; we had an aim to setup Boudh Distillery. The conception of this distillery began as a desire to create novel infusions adorned with fresh grains hence providing a base for the unique spirits. Today, we are immensely proud to have successfully commenced our plant on May 20, 2018.

Peek in through the long challenging journey made short through this timeline of BDPL *from field to factory*.

APPRECIATION NIGHT

Sunday, 20th May 2018, Boudh: The BDPL team celebrated Annual Appreciation Night to foster attitude of recognition and rewards for the employees. The Chairman and Directors honored employees with a certificate addressing each employee's contribution to company success at each department.

"Each one of us have certain bright point which sets us apart from others. This is what encourages one to break his/her own records and eventually emerge as victors. We have been truly fortunate to have the team as our driving force. My personal gratitude goes to each employee for the work that they do each day for our company" added Mr. Uday Shanker Prasad, Chairman BDPL.

Amit Sahoo, Director BDPL further added "BDPL personnel amaze me each day with the hardwork, dedication and commitment that they give to make BDPL a successful company".

The night concluded with BDPL family dinner and the tree that caught everyone's eye during the event.

EXCELLENCE IN MAINTENANCE (EXIM) WORKSHOP

Tuesday, 19th-20th June 2018, Boudh: A two-day workshop was held on EXIM (Excellence in maintenance) at BDPL. The in-house faculty (GTD) and external trainer (Mohan Chauhan) aimed to enhance participants' knowledge on Basics Of Maintenance.

"EXIM is a proven tool to drive maintenance excellence in plant. It will give BDPL employees the ability to manage, maintain and track assets." added Mr. Sanjeev Chhetri, Group Technical Director BDPL.

During the training, a total of 10 participants learned the ability to use the data to drive decision-making in areas such as Maintenance, Inventory/Warranty, Uptime and determine equipment based maintenance schedules using real data. The participants also learned on how to deploy resources for maximum effectiveness and how one can save money by reducing inventory levels of spare parts. These skills will allow the participants to do their jobs more efficiently and effectively.

A participant (Future Practitioner) commented: "Before this workshop I did not know that excellence in maintenance was so important. Now I realised how important it is for strategic planning & what-if scenarios too."

Participants were felicitated with training completion certificate, followed by lunch.
