

BDPL Bulletin

October-December 2021 (For Internal Circulation only)

boudhdistillery.com

Greetings from BDPL Group !

I must start with a heartfelt thank you to our Employees, Customers and Suppliers for their support during this global pandemic. In spite of several challenges, your patience, adaptability and trust has helped us to secure a safe course through the year 2021.

It gives me great pleasure to inform you that I have been conferred the prestigious award of being the “**Leading Emerging Entrepreneur**” awarded by IERDA (Indian Economic Development and Research Association) New Delhi in December 2021. This accolade and recognition received is all because of you. The resilience and dedication of our employees along with our supplier partners and customers have been incredible and all your support and love has made this possible.

Let's charge forward this year with the hope of better days to come. Let's keep the faith and hold on tight to that bold and unshakeable resilience and we can together create a better future.

On behalf of the management, I wish you and your families a safe, happy, healthy and a successful 2022.

Cheers !

Ritesh Sahu
Managing Director
