# BDPL Bulletin

For internal circulation only | October-December 2020 | Volume 3\_Issue 3

Dearest all,

Every end marks a new beginning. If we keep your spirits and determination unshaken, we shall always walk the glory road. With courage, faith and great effort, we look forward to achieve our dreams and duties. **On the road to success, the rule is always to look ahead. May we reach our destination and may our journey be wonderful.** We end each year with a few good lessons and start the new one by showing that you have learnt the lessons of the past well.

The year 2021 is going to be our 1st year of executing our future growth plans of VISION 2030. I would like to invite each and everyone of you to come and join us in achieving the goals and building our future. I hope this new year is filled with the promises of a brighter tomorrow.

Wishing you and all your family members a fabulous year ahead and a prosperous New Year 2021.

**"BUILDING DREAMS BY PROGRESSIVE LEARNING"**

## BDPL Vidwaan Scholarship Program 2020

**December 17, 2020, Boudh:** Boudh Distillery in a bid to raise the spirits of young minds, distributed scholarship to top three rank holders of 10th board of Harabhanga Block under its **flagship scholarship program "BDPL Vidwaan"**. Attending the scholarship programme at BDPL plant premises, District Collector & Magistrate, Lalendu Mishra as chief guest, Superintendent Police, Raghunath Rao as Guest of Honour gave away the scholarships in the presence of company Chairman, Uday Shanker Prasad, Director, Raju Prasad and Chief Operating Officer, Prem Kumar Kanojia.

Encouraging the meritorious students, Chairman of Uday Shanker Prasad said, *"I congratulate the toppers for their extra ordinary performances and wish them all the very best during their future endeavor."* He also conveyed his thankfulness towards Collector, S.P and other distinguished guests for making Vidwaan a success.

Speaking on BDPL's vision of BDPL Vidwaan, Chief Operating Officer of BDPL, Prem Kumar Kanojia said, *"When I think of Vidwaan, its not just a mere CSR activity rather the strongest step taken towards a 'Developed Boudh' (Vikshit Boudh) that me and my team have dreamt of. Among all the initiatives of BDPL's Vikshit Boudh campaign, Vidwaan is the one which would lead to a developed society. I wish the students good luck in their future endeavor. As far as development of Boudh is concerned, we are committed towards continued contribution towards the Dream Vikshit Boudh from all aspects"*.

The top three winning scholars Swetapadma Samal (90%), Sobhan Kumar Sathua (88.7%) and Rashmiranjan Rana (88.5%) were awarded with a prize money of 10,000, 8,000 and 5,000 respectively along with certificates. All three students were from Palli Bikash High School of Lunibahal because of which the school was also conferred with a trophy of BDPL VIDWAAN. As many as 1261 students from 19 High Schools of Harabhanga Block had appeared for 10th H.S.C. Board Examination, Odisha out of which above three scored the highest in the block.

*October 23, 2020: Prasad from Lingaraj temple*

# Best out of **WASTE**

**October 31, 2020, Kwality Bottlers:**

Companies often carry an enormous amount of scrap and at times at loss of ideas to dispose them off. In order to make the best out of waste, the maintenance team of Kwality made an amazing table during best-in-class workshop with the help of MS scrap material.

**Team members who participated:**  
Parida  
Rinku  
Barman  
Pramod  
Bharat Sahoo

“ Quality **MEANS** doing it **RIGHT** when no one is looking ”

**October 30 and 31, 2020:**  
A two day training session was conducted by Mr. Sarath Kumar (Group Quality Auditor) in Kwaliti bottlers on importance of quality in IMFL manufacturing unit.

**November 10, 2020:**  
An in-house electrical team of Kwaliti bottlers installed boundary wall lights at Kwaliti. The team members involved were Bharat Sahoo, Pramod Sahoo and Barman.

## CELEBRATION

November 14, 2020:

## What the FISH

Biofloc fish farming at BDPL plant

December 23, 2020:

BDPL launched biofloc fish farming, an eco-friendly and low cost alternative for intensive fish production. Biofloc is considered a very sustainable method, as this technology converts waste organic matter into fish feed.

## Shade Shed at Cafeteria

## Run for LEMME

December 26, 2020:  
Did you run on rum yet?

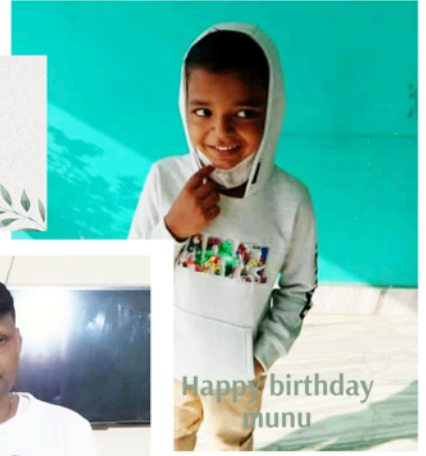

**October 20, 2020**  
Wishing Sanjay Rathi very happy birthday,  
good health and a great year ahead
