Change ahead. PHASE 2 Begins!

Building dreams by progressive learning

**Phase-II Expansion of
Boudh Distillery Pvt. Ltd.**
**Foundation Stone
Laid by
Uday Shanker Prasad
Chairman
Boudh Distillery Pvt. Ltd.**
**on
17 September, 2021**

TOAST TO NEW BEGINNINGS

An evening with the suppliers, employees and directors of BDPL.
Cheers to the new beginning!

OZONE FOR LIFE

A small step by BDPL to slow down the climate change and helping to boost energy efficiency in the cooling sector, which contributes to food security.

LLEO READY TO ROAR

Distribution of LLEO kit to employees, sales people, retailers as an introductory welcome.

from CHAIRMAN'S DESK

My dear family

The last 15 months have been perhaps the most eventful memory in our lives. The COVID-19 Pandemic has impacted the lives and livelihood of people across the world in what might be one of the most significant events of our time. We have witnessed a turbulence of changing economy, rapid global transformation and governmental policies, many of which will impact the way we live and interact with each other. However, through these unpredictable times, we have emerged from the throes of a brutal second wave of COVID-19. I am hopeful that the worst is behind us and that better days are ahead.

At BDPL, we consider ourselves fortunate to be ahead of the curve in terms of scale and efficiency, a testimony to our ability to respond to change and complexities. As we surge ahead, I am certain that we will be able to reach newer heights.

BDPL has been taking a number of strategic initiatives for its turnaround growth and sustenance and with the surging demand for grain based alcohol in India, we have now begun **"Project Vishwakarma 2022"**, the Phase II expansion Plan of 60 KLPD and 2.5 MW of Captive Power Plant, with a commissioning deadline by September 2022. This step is expected to enhance the market share in the grain based alcohol industry.

I would like to take this opportunity to wish our Unit Head - Sanjay Rathi, Project Coordinators and all employees who will be closely working on the expansion project, the very best as they commence their mission in successful completion within our time frame and would like to convey my gratitude to the Board, our Bankers, our Esteemed customers, supplier, consultants and business associates for their cooperation and support.

I would like to sincerely thank all of you at the company at various levels, for their loyalty, dedication and support to realize the goals of the company and I look forward to persistent support and dedication in the years to come. With the upcoming festive season coming up, I would also like to take this opportunity to wish you and your families a Happy Dussehra, Happy Diwali and a Very Happy New year !

CHEERS !

Uday Shanker Prasad
Chairman-BDPL Group

OZONE for LIFE

Sep 16, 2021

World Ozone Day was celebrated on September 16, 2021. The Day was celebrated for the first time in BDPL to spread awareness among people about the depletion of Ozone Layer and the measures to be taken to preserve it. World Ozone Day reminds us that not only is ozone crucial for life on Earth, but that we must continue to protect the ozone layer for future generations.
