Greetings

Dear Family,

It's a new year 2024 and let us all welcome this year and pray that the year brings in lots of happiness, health, growth and prosperity to each one of us. Wishing you all and your family members a very **HAPPY AND PROSPEROUS NEW YEAR 2024.**

Like any other year, the year 2023 had its own highs and lows and we took each learnings to make our self-better day by day.

I am delighted to share the efforts that you all have contributed which has resulted in lots of positive outlook for our organisation. In the year 2023, we witnessed some of the great and outstanding events which we all will cherish for many years to come.

- Commissioning of Phase II Plant including Ethanol Plant.
- Kquality Achieving ever highest production and dispatch.
- BSIPL achieved record production and sales of Fly Ash Bricks.
- Lemme making waves in Jharkhand market.
- Our Consumer base in Odisha for Lemme has significantly increased.
- Many more exciting projects has been initiated and will get commissioned soon as we will be having state of the art bottling unit.
- Our Plant is undergoing a new look and feel and infrastructure is getting even better and best.

As always lots of employee engagement activities with fun and games gave a very festive ambience and uplifted the culture of our organisation. Participation of each one of you in CSR, Sports, Chairman Trophy to drive Innovation and many more Programs has been very encouraging.

Let us all raise a toast for the year 2024 which will be challenging, full of opportunities and celebration.

I look forward to you all to be the major drivers of growth plans to execute our Vision 2030 which we have set for our Organisation.

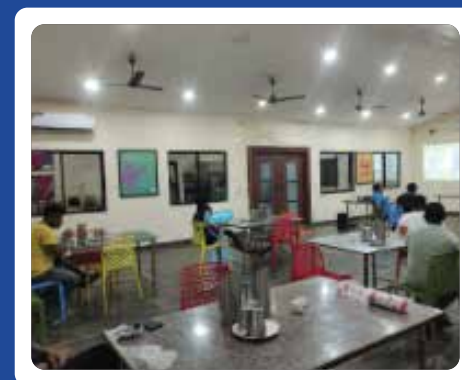

Once again wishing you a fabulous year ahead.

Happy New Year !
